As part of the public consultation process involved with the submission of a major planning application, Stewart Milne Holdings is keen to hear your views on their proposals as illustrated on the exhibition boards and the masterplan reproduced on the back of this leaflet. You can do this by providing your comments in the space opposite and handing your form to a Stewart Milne representative at the exhibition.

Alternatively, you can post or e-mail your comments to the contact address below.

We would like to thank you for your participation and hope the exhibition has been informative and useful in explaining what is proposed in the area over the next few years.
